

Acts 29? Wait. Aren't there only 28 chapters in the book of Acts? That's right, but we are still living in the days of Acts so let's keep writing the next chapter together.

Acts is one of the most exciting books in the Bible: full of salvations, shipwrecks, stonings, and awesome interactions with the world and Jesus. Too often we say, "that was then, but things like that don't happen today." The Bible strongly disagrees with this thought; instead it tells us that we can continue to have a dynamic Christian life full of Christ-encounters today. This Mountain Top is a great place to begin or accelerate this kind of life.

Other Important Information:

- We will be using a campsite, so please bring a tent for your group (as well as a tarp to put under the tent in case of rain).
- We will have some "loaner" tents (but not tarps) available, please contact Ben Shumway (shumway.ben@gmail.com) for availability.
- We will be having incredible outdoor activities throughout the weekend, rain or shine, so please ensure your group brings appropriate clothing including a modest swimsuit (they have a water park!).
