

## Check List for the Junior High Camp

### What to Bring:

- Bibles, Hymnbooks (any you'd like to sing from), new songs
- Guitars, tambourines, flutes, violins, and any other instruments you'd like to play
- Sleeping bags, pillow/bedding (sheets), old towel, etc.
- Your bag of cloths, shoes, socks, swim suit, so on (I think this one is a no brainer)
- Your personal hygiene stuff like toothbrush, shampoo, soap, etc. (a.k.a. toiletries)
- Camping supplies such as flashlights, bug spray, sun block, etc.
- "Special Need" supplies such as medicines, unique foods, inhalers, so on.
- Completed medial release form and registration payment turned in to serving one.
- Food and Gas money for the road.

### What NOT to Bring:

- The kitchen sink! (Please try to pack light and keep the "extras" to a minimum, the rooms maybe a little tight if we need to triple up some due to late registration) If you bring "snacks" please bring enough for all to share!
- You will not need extra money once you are @ the camp (with the one exception of doing laundry).
- You will not need radios, walkmans, or CD players, Gameboys and so on...there will be WAY too much stuff to do – TOGETHER!
- No short shorts (girls let your fathers be the judges), "mid" drift tee-shirts, tight muscle shirt, or other clothing that maybe a distraction to others.
- No two-piece bathing suits please. You WILL wear a shirt if you bring one because it is the only kind you have.

### **Some Final Reminders:**

\*\* Please keep in mind that the Laurelville Mennonite Church Camp has TONS of stuff to do outside as well as in. Hiking (over 200+ wooded acres), in-ground swimming pool, volleyball (sand and hard courts), mini golf, horseshoes, basketball, shuffleboard, an indoor gym, a nice outdoor jungle gym for the kids, and even a petting zoo! All of which are available to us so pack appropriately- but still try to keep it reasonable. Concerning Sleeping and Showering, we will not be "roughing" it. The facilities are indoor, much

like dorm style. Yet, the whole Center is located in a 200+ acre setting of hills and woods. Laundry facilities are available on a per use basis.
