

Check List for the Junior High Camp

- Physical Bibles (electronic versions are discouraged)
- Any song book or copies of new songs
- Any instrument you would like to play during the singing sessions
- A flashlight, bug spray, and sun block
- Bedding materials (for example: Sleeping bags, bed sheets, pillow)
- A towel!
- Besides your normal clothing, we are also asking all participants to bring athletic clothing. This includes athletic shorts, t-shirts, and **especially athletic shoes**.

Special notes on clothing:

- Do not bring any revealing clothing, such as “mid” drift t-shirts, tight muscle shirts, or any other clothing that may distract others. **No short shorts**; girls should let their fathers be the judge of what may be too short. A good rule of thumb is when you place your hands at your side, your shorts should extend past your middle finger.
- No tank-tops of any kind.
- No two-piece bathing suits please. You will need to wear a shirt if you bring one.

- Toiletries (for example, toothbrush, toothpaste, shampoo, soap)
- “Special Need” supplies such as medicines, unique foods, or inhalers.
- Make sure you’ve turned in your medical release form and payment to your locality’s point person.
- Food and Gas money for the road.

What you will NOT need:

- Do not bring any extra money; you will not need it at the camp.
- Do not bring any electronic devices such as mp3 players, Game Boys, or tablets for use at the camp. Please note such items will be safely stored for the week and returned to their owners at the end of the camp.

Special Note about cell phones: Cell phones will not be allowed during the day. Usage will be limited to mornings and evenings for communication with parents only. If your child brings a cell phone, their group leader will keep it safe during the day until the designated morning or evening talking windows.

** Concerning Sleeping and Showering, we will not be “roughing” it. The facilities are indoor, much like a dormitory style. Yet, the whole Center is located in a 200+ acre setting of hills and woods. Laundry facilities are available on a per use basis.
